PROFILE

Final-year CSE student at KL University (9.33 CGPA, graduating 2026). Designs RESTful backend APIs and JSON API layers using Spring Boot (MVC) and Flask, with a focus on business logic, SQL/NoSQL (Redis) caching, and clean API contracts.

EDUCATION

B.Tech Computer Science Engineering — Koneru Lakshmaiah University (KL University), Vijayawada

2022 – 2026 | CGPA: 9.33

Intermediate (MPC) — Tirumala Junior College, Bhimavaram

2020 – 2022 | 91%

PROJECTS

Campus Recruitment & Placement Tracking System

Java, Spring Boot (MVC), MySQL, JUnit, Postman. RESTful APIs for job postings, candidate tracking, interview scheduling, and automated notifications with clean controller/service/data separation.

Secure Personal Data Encryption System (ZK Vault)

Python, Flask (MVC), MySQL, Redis, REST APIs. Zero-knowledge encrypted vault with server-side business logic, Redis-backed OTP/session management, MFA, RBAC, and atomic quota checks with row-level locking.

Real-Time Network Monitor

Python, Flask, Scapy, Socket.IO. Live packet capture dashboard with GeoIP mapping, anomaly detection alerts, and real-time socket-based updates.

Online Bus Reservation

MongoDB, Express.js, React, Node.js. Full MERN-stack booking platform with real-time seat availability, route search, and integrated payments. Live on Vercel.

SKILLS

Languages:

Java, Python, JavaScript, SQL

Frameworks:

Spring Boot (MVC), Flask, Node.js, REST APIs, SOAP APIs, Microservices, OOP

Data & Caching:

MySQL, Redis (NoSQL/Caching), JSON APIs

DevOps & Cloud:

CI/CD (GitHub Actions), GCP, AWS, Linux, Windows, Netlify

Tools:

Git, Docker, JUnit, Postman, Maven, Swagger/OpenAPI

Soft Skills:

Analytical Thinking, Problem Solving, Leadership, Adaptability, Team Collaboration

CERTIFICATIONS

- AWS Cloud Practitioner — Amazon Web Services (2025)
- Postman API Fundamentals Student Expert — Postman (2025)
- Cisco Data Analytics Essentials — Cisco (2024)
- Azure AI Fundamentals (AI-900) — Microsoft (2024)
- Salesforce AI Associate — Salesforce (2024)
- Java Programming — NPTEL (IIT) (2023)
- JNCIA-Junos — Juniper Networks (2023)
- Linguaskills (B1) — Cambridge University Press (2023)
